1MT Guidelines

The 1MT will be a 60 second voice over (narration) of a PowerPoint presentation.

This can be done in Power Point via the slide show tab:

- Click record Slide show.
- This will enable you to pause, re-edit and record your narration. It will also record any animations you have in your slide.
- To review your recording view in presentation mode and you should be able to hear your narration and view animations.
