

UBC FACULTY OF MEDICINE RESPECTFUL ENVIRONMENTS, EQUITY, DIVERSITY & INCLUSION PRESENTS

JOIN US FOR OUR NEXT EVENT FOR A WORKSHOP ON:

CREATING INCLUSIVE SPACES

Inclusive learning and working spaces allow people to feel both physically welcomed and psychologically included. Our optimal environments celebrate the diverse experiences of our members and respond to a variety of cultural and personal needs. When we embrace the differences amongst us and actively seek to welcome and amplify the voices of those adversely affected by a lack of inclusion, we support culture change and create space for belonging.
