Centre for Heart Lung Innovation Seminar Series

Getting the word out beyond traditional publication

Scott Lear, PhD, FAHA

Pfizer/Heart and Stroke Foundation Chair in
Cardiovascular Prevention Research at St. Paul's
Hospital

Professor, Faculty of Health Sciences, SFU

Friday June 5th, 11:30 – 12:30 PM

ZOOM Virtual Seminar (details in body of email)

Hosted by HLI

“(The traditional method for sharing research is through peer-reviewed journals, however, not all target audiences read this medium. From traditional media to social media to blogs, the opportunities for research dissemination have grown and are more creative than ever before. The use of these media can enhance the reach of research and complement traditional publication.”

This event is a Self-Approved Group Learning Activity as defined by the Maintenance Certification Program of the Royal College of Physicians and Surgeons of Canada
