## Centre for Heart Lung Innovation Seminar Series

---

### Some progress toward breath tests for lung diseases

**Jane Hill**  
**Associate Professor**  
**Department of Chemical and Biological Engineering**  
**School of Biomedical Engineering**

Friday March 5<sup>th</sup> 11:30 – 12:30 PM

**ZOOM Virtual Seminar**

(ZOOM Meeting ID: 662 2255 0438; passcode: 623137)

Hosted by Bradley Quon

---

*"This talk will present work in the context of lung disease in two areas: tuberculosis and cystic fibrosis. I will show data from studies of breath volatile molecules and their ability to discriminate between certain infection or rejection etiologies as well as transcriptional profiles for disease triage and diagnosis."*

*This event is a Self-Approved Group Learning Activity as defined by the Maintenance Certification Program of the Royal College of Physicians and Surgeons of Canada*
