Centre for Heart Lung Innovation Seminar Series

Inclusion of Sex and Gender: An essential determinant for biomedical research

Neeloffer Mookherjee, PhD
Associate Professor
Dept. of Internal Medicine and Immunology
University of Manitoba

Friday January 15th, 11:30 – 12:30 PM

ZOOM Virtual Seminar

(ZOOM Meeting ID: 662 2255 0438; passcode: 623137)

Hosted by Chris Carlsten

“Sex and gender influence disease development, disease progression, response to therapy, and impact everything from biology to behavior. This talk will focus on the integration of sex and gender considerations, and discuss some of the available tools and strategies for sex and gender based analyses in biomedical research.”

This event is a Self-Approved Group Learning Activity as defined by the Maintenance Certification Program of the Royal College of Physicians and Surgeons of Canada
