## Centre for Heart Lung Innovation Seminar Series

---

### Lung microbiome: facing skepticisms, challenges and dissecting its function

**Leopoldo Segal, MD, MS**  
**Associate Professor of Medicine**  
**Director of the NYU Langone Translational Lung  
Biology Laboratory**  
**Associate Division Director for Research**  
**Division of Pulmonary and Critical Care Medicine**  
**New York University School of Medicine**

Friday November 5th, 11:30 – 12:30 PM

**ZOOM Virtual Seminar**

(ZOOM Meeting ID: 662 2255 0438; passcode: 623137)

Hosted by Don Sin

---

*“The lung microbiome is frequently exposed to microbes and their products contributing to the immune tone of the lower airways. In this presentation I would focus on challenges faced when studying the lung microbiome and recent approaches leading to uncovering microbial functions of relevance for the host in the lung environment.”*

*This event is a Self-Approved Group Learning Activity as defined by the Maintenance  
Certification Program of the Royal College of Physicians and Surgeons of Canada*
