Centre for Heart Lung Innovation Seminar Series

Navigating through 'omics data: a multivariate perspective

Kim-Anh Lê Cao, Ph.D
Associate Professor
NHMRC Career Development Fellow
Melbourne Integrative Genomics (MIG) & School of Mathematics and Statistics
University of Melbourne

Friday September 23rd, 11:30 – 12:30 PM

ZOOM Virtual Seminar

(ZOOM Meeting ID: 662 2255 0438; passcode: 623137)

Hosted by Amrit Singh

I will present a systems biology approach to integrate multi-omics data generated from different omics platform but on the same biospecimens. I will illustrate various methods to explore and integrate different multi-omics studies, from bulk to single cell resolution. Our methods are available in the mixOmics R package

This event is a Self-Approved Group Learning Activity as defined by the Maintenance Certification Program of the Royal College of Physicians and Surgeons of Canada
