Centre for Heart Lung Innovation Seminar Series

Moving from Phenotype discovery to a Health Excellence Organization – the Hearts in Rhythm Organization story

Andrew D. Krahn, MD
Professor of Medicine
The Sauder Family and Heart & Stroke Foundation of BC & Yukon Chair in Cardiology
Paul Brunes UBC Professor in Heart Rhythm Disorders

Friday November 24th, 11:30 – 12:30 PM
James Hogg Conference Centre (JHCC) Room 103
(ZOOM Meeting ID: 662 2255 0438; passcode: 623137)

Hosted by HLI

“The Hearts in Rhythm Organization (HiRO, www.heartsinrhythm.ca) was born out of a group of inherited cardiac condition physician researchers, who evolved their discovery focused research to an organization that merges research with care providers and patients, with a goal to embed research in clinical care to fast track discovery to implementation.”

This event is a Self-Approved Group Learning Activity as defined by the Maintenance Certification Program of the Royal College of Physicians and Surgeons of Canada
