

LATIN AMERICAN HERITAGE MONTH CELEBRATION AT HLI

Ph.D. Adriana Suárez-González

Hosted by the HLI EDI committee

Dr. Suárez-González is a Colombian scientist and Senior Science and Technology Advisor at 10x Genomics, a leading biotech company. She has led the creation of programs with key opinion leaders and organizations, and contributed to the leadership of networks that promote diversity and inclusion in science and technology. She was awarded the Founder's Circle Award in 2021, and nominated for the YWCA Women of Distinction Awards in 2023.

FRIDAY, OCT 27 AT 11:30 AM
JAMES HOGG CONFERENCE CENTRE
